Dear Mr Binh

Request for Endorsement as a Supporting Association
MEDICAL FAIR ASIA | REHACARE ASIA 2026
9 to 11 September 2026, Marina Bay Sands, Singapore

Warm Greetings from the MEDICAL FAIR team.

We are pleased to announce that the 16th edition of **MEDICAL FAIR ASIA** and inaugural **REHACARE ASIA 2026** will take place from **9 – 11 September 2026** at Marina Bay Sands, Singapore. These exhibitions provide an **excellent platform for healthcare professionals** to stay updated on the latest medical devices, technologies, and rehabilitation solutions, as well as to participate in a variety of forums on medical and rehabilitative care.

16th International Exhibition on Hospital, Diagnostic, Pharmaceutical, Medical & Rehabilitation Equipment & Supplies.

1st International Exhibition on Rehabilitation and Care

MEDICAL FAIR ASIA will continue to show the latest medical devices and technologies for both in- and out-patient care while REHACARE ASIA will highlight innovative rehabilitation and preventive care solutions that improve quality of life and functional outcomes.

It would be a great honour for us to have the Vietnam Medical Device Association endorse both exhibitions as a **Supporting Association**.

As a Supporting Association, the association will enjoy a range of benefits:

1. **Increased Exposure:** The associations will be listed in our print and online materials, with its logo and a 150-word write-up on the exhibitions' official websites
2. **Exposure to Latest Medical Technologies/Devices** from more than 1,000 international companies from over 40 countries
3. **Rehabilitation & Patient Care Innovations** – Discover the latest rehabilitation aids, assistive technologies, mobility solutions, and home-care equipment to enhance patient recovery and outcomes

The Vietnam Medical Device Association

4. **Professional Development & Knowledge Sharing** – Participation in forums, seminars, and technical sessions led by international experts on emerging rehabilitation care practices, patient safety, infection control, and innovative care models.
5. **Networking Opportunities** – Connect with healthcare professionals, hospital administrators, and technology providers from across Asia and the world to share experiences, best practices, and potential collaborations.
6. **Global Trends & Best Practices** – Stay abreast of international standards, innovations, and trends in nursing and rehabilitative care that can be applied in Vietnam healthcare context.

In return, we kindly seek your support to:

- Circulate two rounds of e-newsletters to your members and listing the exhibitions on your website and/or social media platforms
- Encourage your members to visit the exhibitions and organize a visiting delegation, where possible. (We would be pleased to curate a dedicated programme for the association-led delegation under our VIP Buyers Programme. More details of this programme will be made available soon.)

We hope that the Vietnam Medical Device Association will join us as a Supporting Association for MEDICAL FAIR ASIA and REHACARE ASIA 2026. Your endorsement will greatly strengthen the participation of healthcare professionals from Vietnam and further contribute to the development of the healthcare landscape in the region.

We look forward to your favourable reply and to partnering with you in advancing healthcare excellence.

With best regards

Rita Biswas (Ms)
Director, Industry Relations & Sustainability
